

Swiss ASIC & Foundry Meeting – SAF26

Park Innovaare

- The first Swiss ASIC & Foundry Meeting is an exclusive half-day networking event at Park Innovaare, with more than 50 leaders from the Swiss ASIC, Foundry and Fabless Industry, from research and the academic environment to close the gap direct interaction between Swiss ASIC designers and large foundries. The invitation-only event will help connect the relevant key players.
- Tuesday, 17.11.2026, 13:30 – 18:00

- Supported and organized by
